Dear Lloyd:

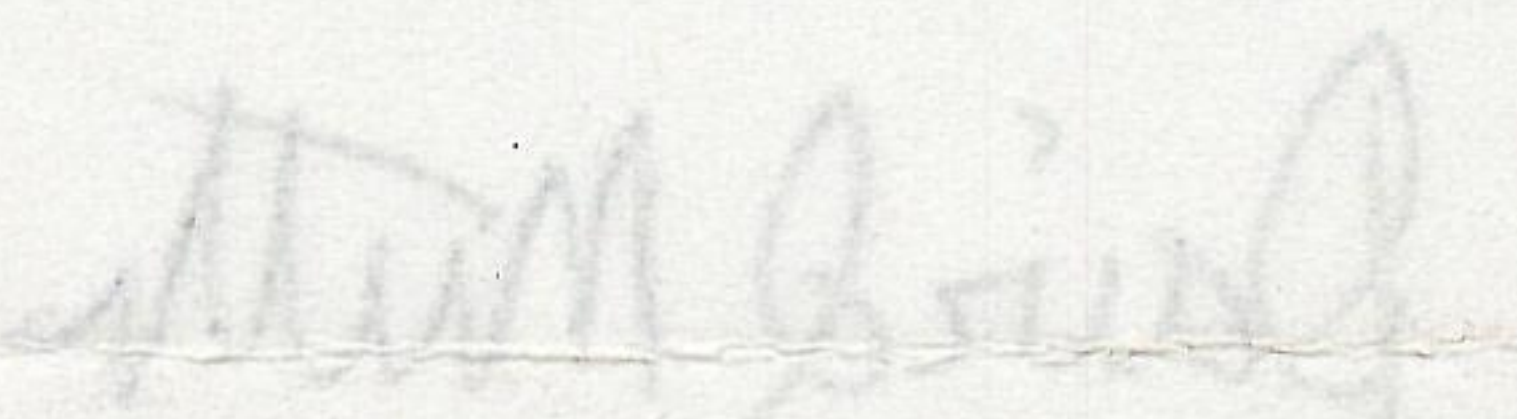

As you know, Mrs. McDonald is in the process of selling a major portion of Northwest Point Farm to Mr. Michael Marshall. Final settlement is scheduled for June 14, 1983.

Inasmuch as the reduced size of the Northwest Point Farm operation will not require your services, we are hereby giving you notice of termination of your employment as of June 14.

In view of your loyalty to the farm during the past many years, we are planning to pay you for the period, June 15 through July 30, based on your average earnings for this period in the past.

May I personally wish you the best of luck in the future.

Very truly yours,

C. David Muth
