MRS. ALICE EMORY
12 Red Oak Road
Wilmington, Delaware

Dear Madam:

This will acknowledge the receipt of your letter of the 25th inst., advising me of the death of Lloyd Wigham Emory, M.Am. Soc. C.E., on January 5, 1931. This is the first announcement of Mr. Emory's death received in this office and it is noted. I assure you, with great regret. Please accept on behalf of the Secretary, Mr. Seabury, my sincere sympathy in your great loss.

The Society is always desirous of publishing memoirs of its deceased members and these are usually prepared by some engineering friend familiar with the professional career of the deceased. I will be greatly obliged indeed if you will give me the name or names of some one who would be able and willing to prepare such a memoir of Mr. Emory, in order that I may write to them in regard to it. I am enclosing herewith a copy of a memoir that has recently been published by the Society, in order to give you an idea of the style, length, etc.

Again expressing my sincere regret at the passing of a Member of the Society, I am

Yours very truly
