Philosophy and things of science  
after seeing him tomorrow I will  
give him a letter to you. I believe  
he is starting next Thursday.  
I hope I may see you  
very soon.

Have to sail at present -  
Friday April 18 at 12 pm  
2.2 "Pawnee"  
Sun 24

Art of Smith Street  
Brooklyn N.Y.

6.2.

I have just heard there is some  
business activity near Elizabeth Street  
if I don't sail I will look it up.  
If I do sail you are sure that  
way see H. E. Jones, Christie, Co. -  
Jones is a real estate concern and has  
bought most of the lots in that  
neighborhood. He is not very friendly  
to business.  
I hope I can expect to sail for home  
very soon.
