C.B. Johnson one of my old men has been
just dropped in. He only returned from France
several days ago as a lieutenant of engineers.
I had went to General Johnson and
his engineering. He worked for me
during the winter of 1913-14 on R.R.
work. and always - constantly after
his work I went with the C.B.

in 1912

I may find I need him soon and
if not I will call.
