

infrequent sailings I was unable to return to the States until early in August of that year. I believe that my salary was continued by the company until October 1 of that year. I entered a training camp the latter part of August and was later engaged in work for the Ordnance Department at Washington. I was commissioned a Captain early in November. I received a discharge from the Army on or about December 15.

Q In what year, Mr. Emery?

A 1918.

Q Now, you stated, I believe, that you left British Guiana in July --

A July, 1918.

Q I understood you to say, "1917". Do you mean 1918?

A 1918.

Q All right.

A It might be good to check that date back. It was June, 1918, I tendered my resignation to the managing director.

Q After your service in the Army terminated, Mr. Emery, in what were you engaged, - in what work?

A I was engaged by the Uihlein Group of Milwaukee and entered their employ as of December, 1918.

Q Will you state in what capacity you were engaged by the Uihlein Group?

A I was engaged in the capacity of engineer to be there
