

Q Just state what was done by the Demaree Lumber Company

or any of their agents or representatives in this matter?

A MR. SMITH: I object to that as incompetent and

irrelevant.

THE EXAMINER: Go on.

MR. SMITH: Let us take an exception.

THE EXAMINER: Yes.

THE WITNESS: I visited the property to see if

a survey had been made. I went to Georgetown and visited

the Commission of Lands and Mines and asked them if they had

any knowledge.

MR. SMITH: I object to that as incompetent and

irrelevant. Where are we going to stop on this hearsay.

MR. WHITELY: Testify what you learned from your

examination of the property and from any information that you

received from the Demaree Lumber Company's representatives.

THE WITNESS: I was shown a map in the Commissioner

of Lands and Mines --

MR. SMITH: (Interrupting) I object to that and

ask to have it stricken out. That part about visiting the

Commissioner of Lands and Mines. That is not the office of

the Demaree Lumber Company. This witness is just giving

us the roughest kind of hearsay testimony.

THE EXAMINER: We want you to tell us, Mr. Emery.
