

Q Did you receive any notification from the Demerara Banknote Company?

A I did not receive any notification from the Demerara Banknote Company or anybody else.

Q How long after this trip that you made to British Guiana which you were describing just before recess, did you terminate your connection with the Uhlstein group?

A I do not recall exactly what trip it was that you are referring to but my connection with the Uhlstein's was terminated on the sale of their South American properties to the Republic Carbon Company to certain companies in the States. Q Well, will you state for the record what trips you made to British Guiana between the time of the passing of title to these two trips to you, and the terminating of your employment with the Republic Carbon Company?

A As I recollect it, I made two trips after the passing of title, one trip was in the spring, in February or March — MR. SMITH: (interrupting) What year?

A It was the year following the passing of the title and as I recollect it the title was passed in 1833: It must have been 1834. I was only there for a short time, a few weeks on that trip.
