

listen to a motion to strike it out.

BY MR. WHITELEY:

Q Proceed, Mr. Emery, please.

A I visited London in the interests of the Cyanamid Company and I also visited South America.

Q On what point or points?

A They were negotiations for the purchase or the lease by the subsidiary, the Quebec Aluminum Company of certain Crown and Colony lands in British Guiana, among which were the Christianburg lands.

Q These were lands on which bauxite deposits were?

A On which bauxite deposits were known to have been found.

Q How long did you remain in the employ of the American Cyanamid Company?

A Until August 31, 1925.

Q What was the largest trip made by you either to London or to South America in connection with this mission?

A I left for South America on or about the 5th of May, 1925, for British Guiana.

Q And just what did you do upon that visit; how long did you remain there?

MR. SMITH: I understand that this is all taken over our objections.

THE EXAMINER: I give you a general objection to this line of testimony and a motion to strike, if it is not connected up. I will have to pursue that policy because
