

A Part of it, not all of it was owned by the Demerara Bauxite Company. There was a couple of lands on which the title was defective.

Q Where were they?

A Within that area.

Q Comparatively small?

A Comparatively small.

Q Then so far as the great bulk of that property is concerned it was owned by the Demerara Bauxite Company?

A Yes.

Q Now immediately south is another strip colored in green and that was Bauxite land?

A Upper Semarie, the strip between is Upper Semarie.

Q Now look at this map, immediately south of the purple property which purple is indicated as Lower Semarie is a strip of green?

A That is right.

Q And that strip in green was also bauxite land?

A Also, yes,— Well, I don't know it was.

Q It was supposed to be.

A Supposed to be, yes.

Q And that strip was also owned at that time by the Demerara Bauxite Company?

A To the best of my knowledge.

Q Now, immediately south of the last-mentioned green strip,
