

A In March.

Q When did you return?

A the full transaction on my return.

A I did not consider it curious at all, because I reported money of your employers?

Q Wasn't that really curious for you to be demanding expense to my employers as compensation after a fruitless trip?

A Is there any reason why I should not return the money expenses.

this deal when your employers were already paying your

Q Well, why should you be getting expense money out of

A More than five hundred dollars.

Q All you know it was more than five hundred dollars?

A I don't remember the additional amount.

Q And was it seven hundred and fifty dollars?

A It was more than five hundred.

Q Was it more than five hundred dollars?

A I can't remember now at the present time.

Q Was it about one thousand dollars?

A I don't remember the exact price.

Q Were you limited to one thousand dollars?

A budget.

A I don't know the exact amount. I think I was to render

Q And how much were you to get in dollars and cents?
