

MR. WHITELEY: I find the date of the death of Mr. Hubbard, September 29th, 1915.

MR. SMITH: May we have that in the record?

THE EXAMINER: If you wish it, it may be stipulated.

MR. SMITH: It is agreed that Mr. Hubbard, the husband of Mrs. Hubbard, who was involved in the litigation that this witness has testified to, died on or about September 29th, 1915.

BY MR. SMITH:

Q Now your employment with the Uihlein terminated when?

A I received my salary from someone up to February 15th, 1925.

Q Well understand, you and I have no quarrel about this point. So far as you know it was from Uihlein's or from somebody representing them.

A I do not know; there was no question of my not being employed by the Uihlein up to the first of February, 1925 when I was informed by Mr. Joseph Uihlein I could go with the Carbon Company, stay with them in Milwaukee, or do as I pleased.

Q And you elected to go with the Carbon Company?

A Not necessarily, I wanted to see what they were willing to do for me.

Q You applied for a job with the Republic Carbon Company.
