

Q What were you receiving?

A A retainer of six thousand dollars and I had the right to do outside practice if it did not interfere with their work, and I had a stock interest in the Republic Carbon Company.

Q At any rate you left the office with the distinct impression that you were no longer in the employ of the Republic Carbon Company?

A As I say when I went, I didn't know I was in the employ of the Republic Carbon Company.

Q I am asking you when you left the office.

A I felt when I left the office my relations, if I had any relations, with the Republic Carbon Company or Mr. Davis' organization had ceased.

Q When was this conversation you had with Mr. Davis about the employment by the Republic Carbon Company?

A As I say it must have been late in January or very early in February.

Q 1925?

A 1925.

Q Do you have in your file there a copy of your letter of February 13th, 1925?

A I probably have it in my file in the office.

Q You haven't ^{it} here with you?

A No.
