

A A ship could lie alongside of them.

Q Convenient for shipment by boat?

A Yes.

Q And they were on this same Demaree River?

A Million and a half and three million.

Q And I think there were two estimates and they varied between the Department of Agriculture made a survey, an estimate, Lands and Mines Department in conjunction with someone in

but the quality, the Government officials, someone in the I stated according to the quantities thirty acres of land

Q And what was the quantity to the best of your understanding? On account of the quantity and grade both.

Q Is that on account of the high grade bank?

A That was the impression everyone had regarding it.

bankside deposit.

Q That, I understood you to say, was a very valuable

A That is correct.

not by the Demaree Company?

Q At any rate up until a few weeks ago, it was your understanding and belief the Christiansburg deposits were owned,

A I do not know, I know another company was investigating

company?

Q At least up to a few weeks they were not owned by another

within a few weeks.
