

A I believe there is.

Q Is there any barite in Montenegro?

A I do.

Q Let us take Montenegro. You know the country, do you?

A I don't believe there is.

(Question read by the reporter.)

MR. SMITH: Read the question.

A All right.

Q Please don't interrupt the question.

A I believe the freight rate would be too much.

Q Deposits of barite ore in the country of Herzegovina?

A In other words there is no commercially available to make the ore of any interest.

A I don't believe Herzegovina is near enough to tide-water ore in Herzegovina?

Q How do you know there is any commercially available Herzegovina.

A I said I did not know the detailed information regarding ton of ore in the interior territory of Herzegovina?

Q Do you know with that respect that there is not a single tell you how much alumina you can take out of these ores.

A The analyses of the ore don't give you the information as to solubility or availability. The analyses do not

A The analyses of the ore don't give you the information

Q They will tell you quite to the contrary?

A Mr. Neilson, Mr. Davis and Mr. Latson might tell you.
