

J. D. BARLOW,
MANAGER.

Hooper, Clerk.

a 15 day limit on the envelope
and mark it "Transients."

Had another big bag
party the other night. That's
about the only excitement lately.
Am living simple life, going
to bed when I can and getting
up when I have to. Have been
tipping the waiters with a
smile and living close as a
church mouse except where the
Company pays the freight. Even
the habit has begun to show a little
in reduced expenses, but very little.

Sincerely, Ed

Next week I make
Hot Springs & Little Rock then go out
and hang around Ft Smith a while.
