Memorandum from _____ to _____

Dear boys

I've just received your announcement and feel very proud to know a firm of consulting engineers who can do all the things on the right hand page.

Here's the best of luck to you + to the firm. may you always prosper!

I see you don't say anything about Railroads (^{They're} ~~that~~ a burn proposition to my mind)

I was a bit surprised to see the Kaolin Mining Co advertising for a new man at Macjutye until I saw that you were made gen'l manager & 'Corty' was shown there. You must have been mighty glad to get out of that hole weren't you?

There's a terrible famine on, here
