Memorandum from.....to.....

+ people are dying in shoals. You can scarcely pass along the line without seeing a dead body somewhere + about five have died lately just around this house. The government has sent up some rice + the foreign + Chinese committee is bringing up a lot more. The Ry furnishes transportation for ~~all that~~ comes to this neighborhood and the missionaries, both protestants + friars are very hard at work + we have visits from one or more almost weekly which is very pleasant for us as otherwise we have very few visitors outside of Ry. men.

I dare say the family have told you of my removal from this Section. You know it's not
