My Dear Floyd:

Enclosed is all the data I have on the Poplar Grove proposition. It will enable you to get your system under way.

You will probably want to get from Mother an accounting of all debts against the farm to January 1st 1911. so that you can keep your eye peeled on them. From a tentative view of the past few years, these debts have had a little way of slipping in faster than slipping out, thus increasing the total indebtedness. In about ten years more if it we would have a fine view of where the farm would be.

Any help I can give
