Credit Extended to the Clientele would
be about as short as the next
minute, I judge.

With regard to additional
loans I can let you have \$50⁰⁰ a
month for the months of
April May June and July, each
to be covered by six or eight
months notes. After July I can
not say, at this time, what I
can do as my own plans are
only completed to that time.

With reference to these notes
I want to say that they are the most
convenient kind of memoranda for
such transactions and if upon their
maturity you desire to renew them
I will do the best I can for you.

You will of course appreciate
the fact that I am very much
