EDWARD DAVIS, MANAGER

Baltimore, June 23 1911

Dear Lloyd:

Your letter just received.
In the same mail came a
remittance of an equal amount
to your request which I take
pleasure in resigning to you.

I have been absent from
New York for two weeks and
did not get the other letter to which
you refer. Maybe you sent it
to my boarding house which
I have vacated.

Hope Annie is
good with you but you must
not expect too much at this season
