

OFFICE OF
E. B. EMORY
MANUFACTURERS' AGENT
512 SOUTH JEFFERSON ST.

ROANOKE, VA.

Nov. 7, 1913.

Dear Lloyd:

I am glad to learn from your letter of the 5th inst. that you expect to make a trip to Bristol in the near future. Try to arrange to take a train from Philadelphia on Saturday night arriving here Sunday morning, spend Sunday with me, and if necessary you can take a train from here for Bristol at 5.15 Monday morning arriving in Bristol at 10.05 a. m. If you do not like to get up that early there is a train leaving here at 4.40 Sunday afternoon, arriving there at 10 p. m. I think that it might be to your advantage to spend Monday here and look over the opportunities for business in your line. This city is always doing something and if you could get a nice fat contract, I will make your stay here a pleasant one.

I am returning the eight notes aggregating \$533.75 in exchange for the one note of that amount expiring February 1st, 1913. Let the interest come along as soon as convenient.

When you come down I will have a great many things to show you. My little business is coming along in fine shape. It is thoroughly organized and I have made plans for my future home which will interest you. Yesterday I went over to Bedford City with one of my representatives and sold \$58.50 worth of machines, at the same time appointing a local representative to take care of that town for me.

I will not write any more now but hope to see you in the near future.

Sincerely yours,
