Dear Ed:

I just got back to the office this morning and have been very much rushed which was the reason I have not written to tell you how very much I enjoyed spending Friday with you in Roanoke.

You certainly are very well fixed and have a very attractive proposition. When I got back from my trip I found Uncle Harry had had another attack and he is not quite sick in bed, so I will not be able to talk to him about the milkers for a few days. I will, however, get the information from him and also the Wawa Dairy people at the earliest opportunity.

Mother, I believe, is staying with Anna Davidson in Baltimore, but she is expected here on Monday.

Wishing you the best of success, I am

Yours sincerely,

LTE.F.
