Mr. Howard Eisenbrey,
Philadelphia, Pa.
Dear Howard:

Lloyd wrote me a short note on January 7th while on board the steamship, Adriatic. He stated that the firm has an account which fell due on January 15th and that he had asked you to send me \$211.40.

I trust you have been successful in collecting and if you can send me the amount at this time, it will be very helpful as I have obligations of my own which must be met.

With best wishes to your business from
my business,

Very truly yours,

E/H
