Dear Lloyd:

Your letter of the 8th received, and I am glad to hear you have a satisfactory partner in view making a third member of your firm.

Relative to the balance of \$211.40 which you owe me, it will be a great favor if this amount can be remitted by May 1st, and if you can arrange to do so there will be no interest charged for the time since interest was last computed. I am very much in need of this money in my own business, which is not hard for you to understand and if you can possibly make arrangements to send it by May 1st it will be much appreciated. Mother is with me now and I think she is very comfortable. It is so much better for her than the work she was formerly doing. I think her mind will get a complete rest and she will regain the strength she lost in her other work. When you come this way again, be sure to drop off and see us. We are in an apartment and can make you more comfortable than formerly.

Sincerely,

E/H
