Dear Ed. —

Your letter of the 22 at hand. I am very sorry that I was not able to get down as far as Roanoke on my recent trip. I only went as far as Charlottesville in Va. + owing to lack of funds + time I had to come straight back to Phila on Sunday.

Now as to the matter in question I visited New York about two days ago and saw Sister at the Carter Bridges. Later I saw Mrs Warfield and she talked for about fifteen minutes on the subject and much gave me a chance to get a word in edge wise. You probably know the line of talk. Personally I thought Sister was looking quite well, I but from the amount of sympathy she was receiving she must have been very sick in deed. I enclose a letter I received from her yesterday.
