Dear Sir:

Your letter of the 12th inst. received. In balancing
up our account I find that I still owe you \$5.66, which is the
interest on \$211.40 from February First to May 12th, for which I
enclose a check. Will you kindly send me at your convenience
the note for \$533.75, which I sent you in November.
Wishing you the best of luck with your Spring business,

I remain

Sincerely,

L. E.
