1/3/16.

note for you to sign to cover my note to the Centerville Bank which is due Feb. 28th. This may be looking a long way ahead, but I am leaving the end of this week on a trip to South America and it is rather hard to tell just how long I will be away.

Wishing you a prosperous New Year and trusting you will return the notes signed to this office, I remain

Sincerely yours,

LTE/S
