18.

W. B. E.

note for you to sign to cover my note to the Central Life Bank
which is due Feb. 28th. This may be taking a long time
but I am leaving the end of this week on a trip to South America
and it is rather hard to tell just how long I will be away.
Withing for a prosperous New Year and trusting you will
return the notes signed to this office. I remain

Sincerely yours,

W. B. E.
