

If I am unable to get down to Salem will it be possible for you to come to Philadelphia for a day. I would like very much to meet Mildred but there is so much to be done after I get back to Philadelphia that I may not be able to do it. If you can come up I would be very glad to split your expenses with you as there are a number of things I would like to discuss with you, among which is a change which mother is considering making in her present will.

With love to you and Mildred, I am

Sincerely yours
