Dear Ed:

Your letter of the 4th inst. received. Owing to a lot of work being piled up when I returned on Tuesday I have been unable to get around to the accounts which I am to send you. I will, however, devote Sunday to them and you will hear from me the first of the week. I am thoroughly in accord with the plans outlined in your letter and I think after a careful study of the records for the past few years I may be able to make some practical suggestions.

Thanking you for the reports which you enclose, I remain

LTE/F.
