

in this big establishment
by our personal matters
now both side tracked
as it were. We have an
opportunity for giving
them attention, comes
along.

I shall be very glad
to help along as you
suggest. I understand
that \$250. a year will
run you through - I pro-
pose that you regard
one half of this sum
as a loan from me
while the other half
I will give to you as a pre-
fix to have you treat
as a gift from us which
will be very glad to have
an opportunity to
make. So you can
