Dear Sirs:-

Several months ago you sent me a sample can of inertol which I have used on a concrete wall. Will you kindly ship me a ten gal. drum with which to finish the job?

I would like to get it as quickly as possible and will you ship it by freight on the Pennsylvania R. R. to me:-

c/o Mr. Albert Dulin,
Centreville,

If you will send me the bill direct to my office I will remit at once. I presume you will allow me cash trade discounts.

Yours very truly,
