

Certainly is a good boy and  
can paint circles around Mr.  
Benny and he does it very  
well too.

I went to town yesterday  
and got some molding to  
fix the edge of that tin roof  
with and I charged it to you  
and so I guess you will get a  
bill for it sometime.

Hoping you and the  
family are all well and  
hoping to see you on Saturday  
morning

Respectfully yours  
Robert F Baice jr.
