Mr. C. A. Ringgold,
Centreville, Md.

Dear Mr. Ringgold:-

I was quite surprised when I visited Poplar Grove yesterday to find that the job of roofing the wharf had not been completed.

I have just let a contract to re-roof and weather board a tenant house and if you are not able to start the wharf roof job at once and complete it before the 24th inst. I will have to cancel my agreement with and have the roof shingled.

Yours very truly,

LPE-M
