Mr. Albert Dulin,
Centreville, Md.

Dear Albert:-

Enclosed is a copy of a letter I have just written to Mr. Ringgold. You might have Mr. Potts look at the wharf and give you an estimate on a shingle roof. I naturally prefer the tin but now that the warm weather weather is coming on some kind of a roof will have to be put on it. I authorize you to accept Mr. Potts bid of \$307.50 on the repair work on the tenant house. You should get a written list from him just what he expects to do on the tenant house and a promise from him as to the date he will complete the work.

I expect to be down again on the 24th and I hope you can have the office and room above cleaned out by then.

With best regards.

Sincerely yours,

Lloyd T. Emory.
