

March 29, 1926.

Mr. Albert Dulin,
Centreville, Maryland.

Dear Albert:-

Just a line to thank you and Mrs. Dulin for taking care of us over Saturday night.

I am quite willing for you to have the tenant house shingled and the wire fencing you need if purchase can be made within the amount I have available.

Will you get a price on the required siding or shingles and the fence. Drop me a postal and I will reply at once.

In the case of all bills will you have them made out to me but sent to you. You can then see that they are correct and mark them "O.K. A.D." and mail them to me.

With best wishes for the season.

Yours very truly,

LTE-M

Lloyd T. Emory.
