

August 28, 1925.

Mr. Albert Dulin,
Centreville, Maryland.

Dear Albert:-

I had expected to get down for this week-
end but I will not be able to arrange it until the lat-
ter part of next week.

I am sorry that the contractor did not finish
up the wharf as you expected but contractors rarely if ever
do.

Enclosed are a number of postal cards. Will
you send me one every time you make a deposit to my credit
in the Centreville bank. Just put the date and amount
on it and drop it in the mail.

With best regards to you and Mrs. Dulin.

Yours very truly,

Lloyd T. Emory.
