July 21. 1925

Dear Mr Emory

I threshed
wheat on July 15 and
sold it right from
the machine at $\$1\frac{34}{100}$
a Bushel. It went
up a little after I
sold the next day
and it is coming
down again now
you never know
what to do

We got 1326 Bu. all
to gether. I kept 50 Bu.
of yours for seed and
50 of mine. If we
have any left over we
will sell it this fall
Yours truly
A. B. Gulim
