Mr. Lyod T. Emory,
4 South 15 th. St.,
Philadelphia, Pa.

Dear Mr. Emory:

We are enclosing out
telling you about yesterday, also

The models in questi
consider the company's very best
built their reputation.

We will furnish a new
plant I was telling you about yest
connect the pump to the well and pipe
in the location marked on your chart,
range boiler and connect it to your
back for inside the stove, complet

This is a little mor
day but I had a second hand pump &
pumping system will be more satisfact
porcelain enameled sink - a galvanized

The Delco plant I can pers
been in a small church here which has n
Sunday of each month and an occasiona
been under my personal supervision an

I feel this outfit will be ar
gasoline engine outfit and in addition will
you desire them.
