

March 19, 1928.

Mr. L. Herman Meredith,  
Centreville, Maryland.

Dear Mr. Meredith:-

Enclosed you will find my note for Seventy five dollars and forty-two cents, (\$75.42) to cover premium on the fire insurance policies of Poplar Grove.

As some of the buildings have been re-built and others have been allowed to fall into mis-use, I think that we will have to re-arrange the sums placed on the various buildings. As soon as the roads improve somewhat I will drive you down there for that purpose.

Yours very truly,

LTE:M  
Enclosure.

LLOYD T. EMORY.
