Dear Aug:-  
I spent all day going over  
a chemical plant & talking  
to a German & a Belarussian Jew  
both thought they could talk  
English and they succeeded  
just about as well as I do  
with German but I am a  
good guesser. However it is  
very tiring. By the way when  
you get the books down from  
the apartment will you  
look thru them & see if you  
find a German scientific reader  
I used in college. It would  
be very useful if you could mail  
it to me. I will probably travel  
back to London tomorrow night  
unless I get a wire to go on  
to Berlin.

Can't you get your father to
