

London office is to be  
If we handle the Spinnash project  
then the shaft sinking and  
construction period, a job in  
Poland and one in Norway  
we will be very busy & you  
will have a chance to see some  
of the Continent quite soon.  
Snookie will have a chance to  
be a much traveled youngster.

I am most anxious to know  
all that is going on at the farm  
what you are doing, how Bob  
gets along, how the new doors  
look and many things. I get  
down to the office very early  
in the morning to see  
if there is any mail from  
you

Lots of love to  
Jung & Snookie

P.S. I hope you have gotten your article  
off. Can't you work those pictures of Snookie  
into it? Magazine pictures must have people in them
