## The Horseman:

Eastern Department.

1035 TEMPLE COURT BUILDING, 121 NASSAU STREET, COR. BEEKMAN,

NEW YORK, Dec 26 1890

Mr. Edward B. Emory.

Dear Sir: Your letter, with copy of item, which appeared in this Dept, as to sale of Happy Russell has just been sent me from our Office in Chicago. I have prepared a brief statement, giving the meat of your letter touching the matter -

You are entirely mistaken in supposing that Mr Lucas had anything to do with this item. Neither did our local representative Mr Wm Hopps give us a line on the subject. We have other sources of information in gathering the news -

The Horseman offers a most excellent medium for increasing the business of a noted Stallion like H.R. and I will be glad to quote lowest scale rates for an advt card, say for 3 wks. and good booming notice  
Yours very truly  
E. C. Walker Veritas.
