

him for twice what I am
offering him at.
100 is what I hold him at
if it was convenient would
be glad for you to drive up and
look at him and if you
could place him for me there
would of course be something in
it for you.

I am sure you could take
him and double your money
on him in 12 months.

Mr. R. B. Roberts bred for this
colt. I think while Old Cypress
was owned by W. M. Bryan.

Would be glad to see you
about this matter or hear
from you through mail.

Resp yours

W. S. Bille
