Dear Sir. Your tele-
gram of even date received and
noted.

Our Mr. Luper is out of the city;
but, we expect him to return
to night.

Any arrangement you can
make with Messrs. J. J. & J. B.
Keating will be satisfactory
to us; but, as they have our
claim in hand we cannot
interfere in any way with
their management.

Very Respectfully
H. C. Howard
