Dear Sir-

I have

a standard mare 3 yrs. old last
July - by Volunteer Dudley 3714
dam Nettie Munson.

She is fine size 15-3, full made
and should produce a good strong
foal. Being too poor to pay a
respectable stud fee. I will breed
her on chance to your horse on
most any terms that you think
fair. Should you think well of
my proposition write me your views
on the subject.

Truly Yours
Julian Cochran.

Over.
