

From pass away, she was a
nice man when I owned her
and a hard man to beat
on the road, & young,
I think the man all
right - and don't think you
can feel sorry about -
enough nor anything else -

Yours
W. S. Cannon,

Captain Cannon is away
dredging, he can not write
himself and has asked me
to write for him he was home
Saturday and requested me to
write & explain things. I know the
man well - he is away dredging
for oysters -
