

we can agree on wages
I will go to work when you
are ready for me, I am
certain If I am of any use
to you, you will give me
what I am worth

I am glad to see signs of
improvement in the horse business
I like a horse, and above all a
good trotter, I hear that you
have a fine lot of mares and
youngsters and I wish you
success.
Yours with respect

John M. Keeg
