Dear Sir:

I am sorry to inform you that my fencing man has also moved to Happy Russell - She looked to be sure in foal about the time I received the colt but about a month ago I found she was doubtful and now I feel sure she is not in foal - She has had five foals in six years (not less one year) and never I think took the horse a second time but once - so that I am quite disappointed but that is a part of the business - The colt is getting straighter and stronger behind and I like
