

him better now than I ever
^{did} but would like to ask you
advice about bedding her
back after having such
a crooked coat. I want to
send two more down
early this year before the
horses get so busy. I say
I better send her or another
one. My stranger may
turn out to be a roarer
and I sold her at a sacrifice.

I was in Centerville a week
ago to day and would have
liked to have driven out
but could not spare the
time -

With kind regards

Very truly
